

GUJARAT TECHNOLOGICAL UNIVERSITY

(Established by Government of Gujarat under Gujarat Act No. : 20 of 2007)

ગુજરાત ટેકનોલોજીકલ યુનિવર્સિટી

(ગુજરાત સરકારના ગુજરાત અધિનિયમ ક્રમાંક : ૨૦/૨૦૦૭ દ્વારા સ્થાપિત)

Dear Students,

Namaste...!

I hope that you and your family are safe, sound and healthy in this critical period of pandemic. SMS (Sanitizer, Mask, Social Distancing) as well as SMS (Short Message Services) both are important and essential. We all are facing and fighting against this global pandemic calamity with patience, self-restraint and fortitude.

I know that you have done all the preparation for your examination. Every student expects that the hard work they do will be measured and evaluated on the basis of the skills and knowledge you have achieved with exquisite criteria. You all are keen and eager to work effectively and efficiently for the exams to exhibit your talents, skills through excellent performance and through your results to the Nation. Due to this pandemic situation students have not received this opportunity till date, which is very disheartening for all of us. But it is said that "There is always a silver line of hope behind a dark cloud". GTU always stands with you in your difficult time and now also we understand your plight. I know how important it is for any final year/semester student to have cleared their examination and get the best results of their hard work. As it is going to shape your future path of your career, so I don't wish that in your final mark sheets and certificate the word "merit based progression" appears as that will affect your career adversely.

I am ready to do all the possible things for all of you and for this reason GTU will conduct exams through online and offline mode in the benefit of the students. University will take care and do the necessary arrangements so that students get their result in a short duration. Students who are not willing to appear in the online examination can opt for offline examination which will be held at selected and allocated exam centers as per rules and regulations. University has done all necessary arrangements at the exam centers for the students as per the guideline and criteria received from the Health Department and I expect that you will get the benefit of this and would be able to give exams safely.

I wish that you all develop self-confidence, patience, persistence, passion, determination and with coordination of all these virtues and skills, you will shine in the exams and achieve your goals.

Best wishes for the exams and all the future endeavors.

Prof. (Dr.) Navin Sheth

Vice Chancellor
